### REPORTS SOVIETS MINE URANIUM ORE IN SINKIANG; CHINESE RECEIVE SUBMARINE TRAINING IN VLADIVOSTOK

URANIUM ORE MINED IN AITAI MOUNTAINS OF SINKIANG -- Hong Kong, Hsing-tao Jihpao, 4 Jun 51

Taihoku, 3 June -- It has been reported that uranium deposits have been discovered in the Altai Mountains of Sinkiang and are being mined by Soviet specialists, who are constantly searching for new mineral deposits.

Under Soviet supervision, an atomic research agency, employing some 70 Soviet, German, and Polish atomic scientists, has been established at Urumchi.

SIBERIAN MUNITIONS PLANT EMPLOYS 100,000 SLAVE LABORERS -- Hong Kong, Kungshang Jih-pao, 23 Jun 51

Taihoku, 22 June -- A Chung-lien She report states that 100,000 slave laborers are employed in a gigantic atom-bomb-proof munitions plant in the mountains of the Chita and Lake Baykal area in Siberia. The plant was built to produce arms and ammunition in preparation for a third world war. It is further reported that 35,000 of these workers are Chinese who were secretly transported into Siberia in February 1951.

80 SUBMARINE TRAINEES GO TO VLADIVOSTOK -- Hong Kong, Hsing-tao Jih-pao, 3 May 51

Canton, 2 May -- Some 80 persons from the Central and South China Naval Base at Yu-lin were reported to have been selected to receive submarine training at Vladivostok. In March 1951, this group went to Canton by submarine and on 27 April 1951 they left Canton for Peiping via the Canton-Hankow Railway, accompanied by Wang K'ai (1) /numbers refer to appended characters/, a high-level staff officer, Ma-chi-lin-lo-fu (2) /Chinese approximation of a Russian name7, a Soviet adviser, and three Russian-language interpreters.

SOVIETS DIRECT SUBMARINE ACTIVITIES AT YU-LIN HARBOR -- Hong Kong, Kung-shang Jih-pao, 6 Jun 51

Canton, 5 June -- Fifteen submarines in Yu-lin Harbor given to the Chinese Communists by the Soviets are reported to be manned by Soviet personnel who receive their instructions from a Soviet commander. These vessels have been seen in the Hu-men area and near Wei-chou Island, which is opposite the Liu-chou Peninsula.

SOVIET FAR EAST AIR FORCE CHIEF VISITS CANTON -- Hong Kong, Kung-shang Jihpao, 26 Jun 51

Taihoku, 25 June -- According to a Chung-lien She report, early in June 1951, the Chief of Staff of the High Command of the Soviet Far East Air Force and a group of Soviet advisers came to Canton, which has become the largest air base in South China. At present, many new airfields are being built in Kwangtung. These military activities are recognized by the reporting agency as Sino-Soviet preparations for a third world war.
